

Betty J. Turner Outstanding Volunteer Award

In 1995 the Auxiliary of Bethesda Hospital established the Betty J. Turner Outstanding Volunteer Award. This award honors a volunteer, who like Betty, is outstanding in his or her dedication to the ideals that volunteers represent. These ideals include dedication, cheerfulness, loyalty, helpfulness, service, and selflessness.

This award is open to all volunteers and Auxilians, who give their time and talent to Bethesda Hospital. This annual award is presented at the Auxiliary Fall Luncheon.
