Angel Nomination Form

Mary Jo's Angels Award recognizes and honors individuals or groups of individuals who, through care or service, have improved the quality of life for cancer survivors.

Gracious, kind, compassionate, generous, inspirational. These words often have been used to describe Mary Jo Cropper, who succumbed to breast cancer in 2011. Mary Jo left behind a legacy to our community: the Mary Jo Cropper Family Center for Breast Care. Her sensitivity to people dealing with cancer was remarkable. We want to honor Mary Jo's life and memory by recognizing those people in our community who mirror her compassion and grace.
